

I would like to make a comment about K-LOVE. K-Love is a vital part of my every day life. It uplifts me and encourages me. Many of my friends also listen to K-LOVE and have made the same comments. I feel it would be harmful to the community to displace K-LOVE with an LPFM broadcaster that would not provide the same programming that K-LOVE provides. In a time when so much is going on in our country and there are so many depressing news stories, it is in my opinion that K-LOVE is vital to the public to keep us uplifted. Thanks to time.
